**RECRUITMENT OPEN EVENING @
OPENGATE BAPTIST CHURCH, VICTORIA DRIVE
FRIDAY 13TH MAY FROM 7-8PM**

Can you give up one Saturday night a month...Have you thought about being a volunteer Angel?

“Arun Angels? Who are you? Are you collecting money?” This gives us the opportunity to say that we come from local churches and we are simply here to help people across our community.

You will be part of a team which:

shows God’s love around the town

can make a difference in the lives of individuals

is valued by the local Police

“How are you?” is the most useful question we ask to engage with anyone looking distressed, lost or disorientated. Quite often they simply need reassurance and someone to talk to.

“Thank you” said a couple of girls as we walked the streets around the pier, “the community needs more people like you.”
